REFLECTIONS OF AGING PHOTO CONTEST

The **Reflections of Aging Photo Contest** is sponsored by the **Geriatrics Interest Group (GIG)** at the University of Missouri-Columbia School of Medicine. GIG is comprised of medical students interested in geriatric medicine and issues involving aging.

The purpose of the photo contest is to capture the character and experience of older adults and provide the images that challenge stereotypes of the elderly.

CONTEST RULES:

- Contest is open to amateur and professional photographers residing in Missouri.
- Photographers must attach a completed entry form including photographer information (part 1) and subject information & authorization (part 2) to their submission. See reverse side for form.
- Photo entries must include at least one person age 65 or older.
- Deadline: All entries must be received by April 13th, 2007 and must be the original work of the person submitting it. A person may submit no more than two entries.
- Format: Prints must be at least 5" x 7" or digital. Digital entries may be submitted to Rachel Sanders at rbsadf@mizzou.edu, but contestants must also send in an entry form to be considered. Non-digital prints should be mailed with a completed entry form in protective packaging.
- Late or damaged entries will not be considered.
- Photos will not be returned.
- The University of Missouri-Columbia and University of Missouri Health Care reserve the right to display submitted photos for purposes related to their publicity or teaching programs. The University of Missouri will credit photos.
- A show including all photos of considerable merit will be held with winners and honorable mentions recognized.
- Winners and honorable mentions will be posted on the Reynolds MU web site:
